

Once again it's Book Fair time!!! The Open House is just around the corner and the River Ridge Library will be ready with its annual Scholastic Book Fair on Thursday, October 7th from 6-8. Look for your students to be bringing information about the great books that will be available to purchase next week. Students will also have a chance to purchase books September 29th – October 7th during library times. Make sure you add 6.75% sales tax if you send in money for your students to buy books. All profits from this Book Fair go towards scholarships for graduating seniors.

Make sure you check out the Teacher Classroom Wish List display. Teachers will fill out cards for books they would like for their classroom collections. Then you can select titles from their lists to purchase for the classroom. Also, it is a great chance to get a jump start on your Christmas shopping! To develop lifelong readers, they need books all around them and to see you reading as well.

See you at the Open House.
