

"Harvest of Numbers"

Math Night

Tuesday, September 18th

6:00 - 7:30 p.m.

Everyone is invited to Math Night at River Ridge Elementary. This includes students, parents, grandparents - even babysitters!

Come to our "Harvest of Numbers" and see how we are doing math. We will have three stations this year. One will be playing math games in the commons. We will also have students in a classroom downstairs showing our new algorithms. The third station will be a "hands on" room where there will be all kinds of activities for you to do with your child.

Hope to see you there!
