

Library Lines

Welcome to the first *Library Lines* newsletter! I need to improve my communication to staff members of new and old items in our library. Many of you have given me 'Wish Lists' and many of the items are now in the library. Also, I want to take the time to feature books that you could use in your classrooms. So, let us begin with some new picture books and some 'Wish List' DVD's!

Picture Books:

- *Gracious = Thanks* and *Book Feista* by Pat Mora One page is written in Spanish and the other is in English.
- *Snail Spell* by Joanne Ryder – Use your imagination to become a snail.
- *Big Frog Can't Fit In* by Mo Willems – A pop-up book about problem solving and helping each other – it is in the 'Teacher' section. (We can show you where it is!)
- *Lion and Mouse* by Jerry Pinkey – a wordless picture book – great for story writing activity.
- *Swimmy* by Leo Lionni – a little black fish in a school of red fish figures out a way to protect them from all of their enemies.
- *Rhyming Dust Bunnies* by Jan Thomas
- *Little Red Hen Makes a Pizza* by Philemon Sturges
- *Paddington Bear* – several stories!
- *Who Was...* 10 new easy biographies
- *More to come next time!*
