

April is national recycle month!

Help your
school become part
of the equation!

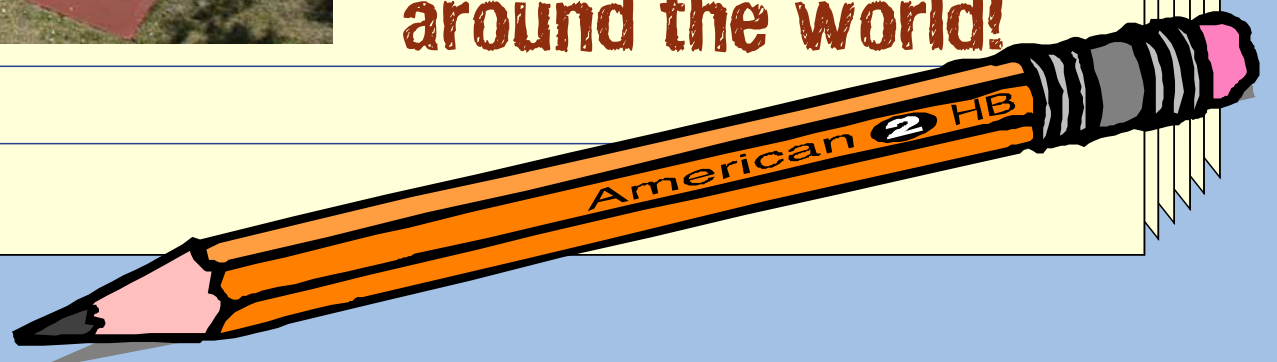

Recycle your worn out
athletic shoes (any brand)

Your recycled shoes are then
shipped to one of our processing
centers to be ground up into a
material called Nike Grind

Nike Grind is then
used to make
different parts of
sports surfaces in
communities all
around the world!

Drop Off
Location:

River Ridge School

Dates:

April 19-23, 2010

This program is sponsored in part by the Jo Daviess County Farm Bureau
